

117TH CONGRESS  
1ST SESSION

**S.** \_\_\_\_\_

To amend the Homeland Security Act of 2002 to establish the Cyber Incident Review Office in the Cybersecurity and Infrastructure Security Agency of the Department of Homeland Security, and for other purposes.

---

IN THE SENATE OF THE UNITED STATES

Mr. PETERS (for himself and Mr. PORTMAN) introduced the following bill;  
which was read twice and referred to the Committee on

---

**A BILL**

To amend the Homeland Security Act of 2002 to establish the Cyber Incident Review Office in the Cybersecurity and Infrastructure Security Agency of the Department of Homeland Security, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Cyber Incident Report-  
5 ing Act of 2021”.

6 **SEC. 2. CYBER INCIDENT REPORTING.**

7 (a) DEFINITIONS.—

1           (1) IN GENERAL.—Section 2201 of the Home-  
2           land Security Act of 2002 (6 U.S.C. 651) is amend-  
3           ed—

4                   (A) by redesignating paragraphs (1), (2),  
5                   (3), (4), (5), and (6) as paragraphs (3), (4),  
6                   (5), (6), (9), and (10), respectively;

7                   (B) by inserting before paragraph (3), as  
8                   so redesignated, the following:

9                   “(1) COVERED CYBERSECURITY INCIDENT.—  
10                  The term ‘covered cybersecurity incident’ means a  
11                  cybersecurity incident experienced by a covered enti-  
12                  ty that satisfies the definition and criteria estab-  
13                  lished by the Director in the interim rule and final  
14                  rule issued pursuant to section 2220A(d).

15                  “(2) COVERED ENTITY.—The term ‘covered en-  
16                  tity’ means an entity that owns or operates critical  
17                  infrastructure that satisfies the definition estab-  
18                  lished by the Director in the interim rule and final  
19                  rule issued pursuant to section 2220A(d).”;

20                   (C) in paragraph (5), as so redesignated,  
21                   by striking “The term” and inserting “Except  
22                   as otherwise provided, the term”;

23                   (D) by inserting after paragraph (6), as so  
24                   redesignated, the following:

1           “(7) RANSOM PAYMENT.—The term ‘ransom  
2           payment’ means the transmission of any money or  
3           other property or asset, including virtual currency,  
4           or any portion thereof, which has at any time been  
5           delivered as ransom in connection with a  
6           ransomware attack.

7           “(8) RANSOMWARE ATTACK.—The term  
8           ‘ransomware attack’—

9                   “(A) means the use of unauthorized or ma-  
10                   licious code on an information system, or the  
11                   use of another digital mechanism such as a de-  
12                   nial of service attack, to interrupt or disrupt  
13                   the operations of an information system or com-  
14                   promise the confidentiality, availability, or in-  
15                   tegrity of electronic data stored on, processed  
16                   by, or transiting an information system in con-  
17                   nection with a demand for a ransom payment;

18                   “(B) includes the threat of use of unau-  
19                   thorized or malicious code on an information  
20                   system, or the threat of use of another digital  
21                   mechanism such as a denial of service attack, to  
22                   interrupt or disrupt the operations of an infor-  
23                   mation system or compromise the confiden-  
24                   tiality, availability, or integrity of electronic  
25                   data stored on, processed by, or transiting an

1 information system to extort a demand for a  
2 ransom payment; and

3 “(C) does not include any such event  
4 where the demand for payment is made by a  
5 Federal Government entity, good-faith security  
6 research, or in response to an invitation by the  
7 operator of the information system for third  
8 parties to find vulnerabilities in the information  
9 system.”; and

10 (E) by adding at the end the following:

11 “(11) VIRTUAL CURRENCY.—The term ‘virtual  
12 currency’ means the digital representation of value  
13 that functions as a medium of exchange, a unit of  
14 account, or a store of value.

15 “(12) VIRTUAL CURRENCY ADDRESS.—The  
16 term ‘virtual currency address’ means a unique pub-  
17 lic cryptographic key identifying the location to  
18 which a virtual currency payment can be made.”.

19 (2) CONFORMING AMENDMENT.—Section  
20 9002(A)(7) of the William M. (Mac) Thornberry Na-  
21 tional Defense Authorization Act for Fiscal Year  
22 2021 (6 U.S.C. 652a) is amended—

23 (A) by striking “the term ‘Sector-Specific  
24 Agency’” and inserting “the term ‘Sector Risk  
25 Management Agency’”;

1 (B) by striking “section 2201(5)” and in-  
2 serting “section 2201”; and

3 (C) by striking “6 U.S.C. 651(5)” and in-  
4 serting “6 U.S.C. 651”.

5 (b) CYBER INCIDENT REPORTING.—Subtitle A of  
6 title XXII of the Homeland Security Act of 2002 (6  
7 U.S.C. 651 et seq.) is amended by adding at the end the  
8 following: **[NOTE: The numbering below assumes that the**  
9 *technical and conforming amendments to title XXII that*  
10 *we were working on have been enacted. We can’t draft with*  
11 *that assumption, but I’ll leave them numbered as is in case*  
12 *those changes are enacted as we work through this draft.]*

13 **“SEC. 2220A. CYBER INCIDENT REVIEW OFFICE.**

14 “(a) DEFINITIONS.—In this section:

15 “(1) CLOUD SERVICE PROVIDER.—The term  
16 ‘cloud service provider’ means an entity offering  
17 products or services related to cloud computing, as  
18 defined by the National Institutes of Standards and  
19 Technology in NIST Special Publication 800–145  
20 and any amendatory or superseding document relat-  
21 ing thereto.

22 “(2) COUNCIL.—The term ‘Council’ means the  
23 Cybersecurity Incident Reporting Council described  
24 in section 2202(e)(1)(S).

1           “(3) CYBER THREAT INDICATOR; CYBERSECURITY  
2           RITY PURPOSE; DEFENSIVE MEASURE; FEDERAL EN-  
3           TITY; INFORMATION SYSTEM; SECURITY CONTROL;  
4           SECURITY VULNERABILITY.—The terms ‘cyber  
5           threat indicator’, ‘cybersecurity purpose’, ‘defensive  
6           measure’, ‘Federal entity’, ‘information system’, ‘se-  
7           curity control’, and ‘security vulnerability’ have the  
8           meanings given those terms in section 102 of the  
9           Cybersecurity Act of 2015 (6 U.S.C. 1501).

10           “(4) CYBERSECURITY INCIDENT.—The term  
11           ‘cybersecurity incident’ has the meaning given the  
12           term ‘incident’ in section 2209(a).

13           “(5) CYBERSECURITY THREAT.—The term ‘cy-  
14           bersecurity threat’—

15                   “(A) has the meaning given the term in  
16                   section 102 of the Cybersecurity Act of 2015 (6  
17                   U.S.C. 1501)); and

18                   “(B) does not include any activity related  
19                   to good faith security research, including par-  
20                   ticipation in a bug-bounty program or a vulner-  
21                   ability disclosure program.

22           “(6) MANAGED SERVICE PROVIDER.—The term  
23           ‘managed service provider’ means an entity that de-  
24           livers services, such as network, application, infra-  
25           structure, or security services, via ongoing and reg-

1 ular support and active administration on the prem-  
2 ises of a customer, in the data center of the man-  
3 aged service provider (such as hosting) or in a third-  
4 party data center.

5 “(7) SIGNIFICANT CYBER INCIDENT.—The term  
6 ‘significant cyber incident’ means a cybersecurity in-  
7 cident, or a group of related cybersecurity incidents,  
8 that the Secretary determines is likely to result in  
9 demonstrable harm to the national security interests,  
10 foreign relations, or economy of the United States or  
11 to the public confidence, civil liberties, or public  
12 health and safety of the people of the United States.

13 “(8) SMALL BUSINESS.—The term ‘small busi-  
14 ness’—

15 “(A) means a business with less than 50  
16 employees (determined on a full-time equivalent  
17 basis);

18 “(B) does not include a business that is a  
19 covered entity; and

20 “(C) does not include a business that holds  
21 a government contract, unless that contractor is  
22 a party only to—

23 “(i) a service contract to provide  
24 housekeeping or custodial services; or

1                   “(ii) a contract to provide products or  
2                   services unrelated to information tech-  
3                   nology that is below the micro-purchase  
4                   threshold, as defined in section 2.101 of  
5                   title 48, Code of Federal Regulations, or  
6                   any successor regulation.

7                   “(9) SUPPLY CHAIN ATTACK.—The term ‘sup-  
8                   ply chain attack’ means an attack that allows an ad-  
9                   versary to utilize implants or other vulnerabilities in-  
10                  serted prior to installation in order to infiltrate data,  
11                  or manipulate information technology hardware,  
12                  software, operating systems, peripherals (such as in-  
13                  formation technology products), or services at any  
14                  point during the life cycle.

15                  “(b) CYBER INCIDENT REVIEW OFFICE.—There is  
16                  established in the Agency a Cyber Incident Review Office  
17                  (in this section referred to as the ‘Office’) to receive, ag-  
18                  gregate, and analyze reports related to covered cybersecu-  
19                  rity incidents submitted by covered entities in furtherance  
20                  of the activities specified in subsection (c) of this section  
21                  and sections 2202(e), 2203, and 2209(c) and any other  
22                  authorized activity of the Director, to enhance the situa-  
23                  tional awareness of cybersecurity threats across critical in-  
24                  frastructure sectors.

1       “(c) ACTIVITIES.—The Office shall, in furtherance of  
2 the activities specified in sections 2202(e), 2203, and  
3 2209(e) and any other authorized activity of the Direc-  
4 tor—

5           “(1) receive, aggregate, analyze, and secure,  
6 consistent with the requirements under the Cyberse-  
7 curity Information Sharing Act of 2015 (6 U.S.C.  
8 1501 et seq.) reports from covered entities related to  
9 a covered cybersecurity incident to assess the effec-  
10 tiveness of security controls and identify tactics,  
11 techniques, and procedures adversaries use to over-  
12 come those controls;

13           “(2) receive, aggregate, analyze, and secure re-  
14 ports related to ransom payments to identify tactics,  
15 techniques, and procedures, including identifying  
16 and tracking ransom payments utilizing virtual cur-  
17 rencies, adversaries use to perpetuate ransomware  
18 attacks and facilitate ransom payments;

19           “(3) facilitate the timely sharing, on a vol-  
20 untary basis, between relevant critical infrastructure  
21 owners and operators of information relating to cov-  
22 ered cybersecurity incidents and ransom payments,  
23 particularly with respect to ongoing cybersecurity  
24 threats or security vulnerabilities;

1           “(4) for a covered cybersecurity incident, in-  
2           cluding a ransomware attack, that also satisfies the  
3           definition of a significant cyber incident, or are part  
4           of a group of related cyber incidents that together  
5           satisfy such definition, conduct a review of the de-  
6           tails surrounding the covered cybersecurity incident  
7           or group of those incidents and identify ways to pre-  
8           vent or mitigate similar incidents in the future;

9           “(5) with respect to covered cybersecurity inci-  
10          dent reports under subsection (d) involving an ongo-  
11          ing cybersecurity threat or security vulnerability, im-  
12          mediately review those reports for cyber threat indi-  
13          cators that can be anonymized and disseminated,  
14          with defensive measures, to appropriate stake-  
15          holders, in coordination with other Divisions within  
16          the Agency, as appropriate;

17          “(6) publish quarterly unclassified, public re-  
18          ports that describe aggregated, anonymized observa-  
19          tions, findings, and recommendations based on cov-  
20          ered cybersecurity incident and ransom payment re-  
21          ports under subsection (d);

22          “(7) proactively identify opportunities and per-  
23          form analyses, consistent with the protections in sec-  
24          tion 2220C, to leverage and utilize data on ransom  
25          attacks to support law enforcement operations to

1 identify, track, and seize ransom payments utilizing  
2 virtual currencies, to the greatest extent practicable;

3 “(8) proactively identify opportunities, con-  
4 sistent with the protections in section 2220C, to le-  
5 verage and utilize data on cybersecurity incidents in  
6 a manner that enables and strengthens cybersecurity  
7 research carried out by academic institutions and  
8 other private sector organizations, to the greatest ex-  
9 tent practicable; and

10 “(9) on a not less frequently than annual basis,  
11 analyze public disclosures made pursuant to parts  
12 229 and 249 of title 17, Code of Federal Regula-  
13 tions, or any subsequent document submitted to the  
14 Security and Exchange Commission by entities expe-  
15 riencing cybersecurity incidents and compare such  
16 disclosures to reports received by the Office.

17 “(d) COVERED CYBERSECURITY INCIDENT AND RAN-  
18 SOM PAYMENT REPORTING REQUIREMENTS AND PROCE-  
19 DURES.—

20 “(1) IN GENERAL.—The Director, in consulta-  
21 tion with Sector Risk Management Agencies and the  
22 heads of other Federal departments and agencies, as  
23 appropriate, shall—

24 “(A) not later than 270 days after the date  
25 of the enactment of this section, and after a 60-

1 day consultative period, followed by a 90-day  
2 comment period with appropriate stakeholders,  
3 publish in the Federal Register an interim final  
4 rule implementing this section that shall—

5 “(i) require covered entities to submit  
6 to the Office reports containing informa-  
7 tion relating to covered cybersecurity inci-  
8 dents;

9 “(ii) establish procedures that clearly  
10 describe—

11 “(I) the types of critical infra-  
12 structure determined to be covered en-  
13 tities;

14 “(II) the types of cybersecurity  
15 incidents determined to be covered cy-  
16 bersecurity incidents;

17 “(III) all the mechanisms by  
18 which covered cybersecurity incident  
19 reports under clause (i) are to be sub-  
20 mitted, including—

21 “(aa) the contents, as de-  
22 scribed in paragraph (5), to be  
23 included in each such report, in-  
24 cluding any supplemental report-  
25 ing requirements;

1                   “(bb) the timing relating to  
2                   when each such report should be  
3                   submitted; and

4                   “(cc) the format of each  
5                   such report;

6                   “(IV) the manner in which the  
7                   Office will carry out the enforcement  
8                   provisions of section 2220B, including  
9                   with respect to the issuance of sub-  
10                  poenas, conducting of examinations,  
11                  public reporting of entities, and other  
12                  aspects of noncompliance;

13                  “(V) an exemption to the require-  
14                  ment to submit to the Office a covered  
15                  cybersecurity incident report in the  
16                  event—

17                  “(aa) the covered entity sub-  
18                  mits substantially the same infor-  
19                  mation about the covered cyber-  
20                  security incident as would be re-  
21                  quired to be submitted to the Of-  
22                  fice to a different regulatory au-  
23                  thority or Federal entity within  
24                  the same timeframe for reporting  
25                  established in this section; and

1                   “(bb) agreements are in  
2                   place to ensure the different reg-  
3                   ulatory authority or Federal enti-  
4                   ty will transmit the relevant in-  
5                   formation to the Office within 24  
6                   hours of receipt; and

7                   “(VI) any other responsibilities  
8                   to be carried by covered entities, or  
9                   other procedures necessary to imple-  
10                  ment this section;

11                  “(iii) require entities, including cov-  
12                  ered entities and except for individuals and  
13                  small businesses, that make a ransom pay-  
14                  ment, either directly or through a third  
15                  party, as the result of a ransomware at-  
16                  tack against the entity to submit to the Of-  
17                  fice reports containing information relating  
18                  to the ransomware attack and ransom pay-  
19                  ment;

20                  “(iv) not require covered entities to  
21                  submit separate reports for a covered inci-  
22                  dent and a ransom payment if a ransom  
23                  payment is made in response to a covered  
24                  incident, except if a covered entity makes  
25                  a covered incident report prior to making

1 a ransom payment and subsequently makes  
2 a ransom payment, the interim final rule  
3 shall require a supplemental report includ-  
4 ing the ransom payment information be  
5 submitted pursuant to paragraph (5)(E);

6 “(v) require the anonymization and  
7 safeguarding of information received and  
8 disclosed through covered incident reports  
9 and ransom payment reports that may be  
10 used to identify specific persons unrelated  
11 to a covered incident or ransom payment;  
12 and

13 “(vi) notwithstanding section 553 of  
14 title 5, United States Code, be effective, on  
15 an interim basis, immediately upon publi-  
16 cation, but may be subject to change and  
17 revision after public notice and opportunity  
18 for comment; and

19 “(B) issue a final rule not later than 1  
20 year after publication of the interim final rule  
21 under subparagraph (A).

22 “(2) CONSIDERATIONS FOR COVERED ENTI-  
23 TIES.—In determining which types of critical infra-  
24 structure are covered entities for purposes of this  
25 section, the Director, in consultation with Sector

1 Risk Management Agencies and the heads of other  
2 Federal departments and agencies, as appropriate,  
3 shall consider—

4 “(A) the consequences that disruption to  
5 or compromise of such an entity could cause to  
6 national security, economic security, or public  
7 health and safety;

8 “(B) the likelihood that such an entity  
9 may be targeted by a malicious cyber actor, in-  
10 cluding a foreign country; and

11 “(C) the extent to which damage, disrup-  
12 tion, or unauthorized access to such an entity,  
13 including the accessing of sensitive cybersecu-  
14 rity vulnerability information or penetration  
15 testing tools or techniques, will likely enable the  
16 disruption of the reliable operation of critical  
17 infrastructure.

18 “(3) COVERED CYBERSECURITY INCIDENTS.—

19 “(A) CONSIDERATIONS AND EXCLU-  
20 SIONS.—In determining which types of inci-  
21 dents are covered cybersecurity incidents for  
22 purposes of this section, the Secretary shall—

23 “(i) consider—

24 “(I) the sophistication or novelty  
25 of the tactics used to perpetrate such

1 an incident, as well as the type, vol-  
2 ume, and sensitivity of the data at  
3 issue;

4 “(II) the number of individuals  
5 directly or indirectly affected or po-  
6 tentially affected by such an incident;  
7 and

8 “(III) potential impacts on indus-  
9 trial control systems, such as super-  
10 visory control and data acquisition  
11 systems, distributed control systems,  
12 and programmable logic controllers;  
13 and

14 “(ii) exclude—

15 “(I) any event where the cyberse-  
16 curity incident is perpetuated by a  
17 United States Government entity,  
18 good-faith security research, or in re-  
19 sponse to an invitation by the oper-  
20 ator of the information system for  
21 third parties to find vulnerabilities in  
22 the information system, such as a  
23 through a vulnerability disclosure pro-  
24 gram or the use of authorized pene-  
25 tration testing services; or

1                   “(II) the threat of disruption as  
2                   extortion, as described in section  
3                   2201(8)(B).

4                   “(B) MINIMUM THRESHOLDS.—In order  
5                   for a cybersecurity incident to be considered a  
6                   covered cybersecurity incident for purposes of  
7                   this section, a cybersecurity incident shall, at a  
8                   minimum, involve not less than 1 of the fol-  
9                   lowing:

10                   “(i) Unauthorized access to an infor-  
11                   mation system or network has occurred  
12                   and lead to loss of confidentiality, integ-  
13                   rity, or availability of such information sys-  
14                   tem or network, or has a serious impact on  
15                   the safety and resiliency of operational sys-  
16                   tems and processes.

17                   “(ii) Disruption of business or indus-  
18                   trial operations has occurred due to a cy-  
19                   bersecurity incident, such as due to a dis-  
20                   tributed denial of service attack, a  
21                   ransomware attack, or exploitation of a  
22                   zero-day vulnerability against an informa-  
23                   tion system, operational technology system  
24                   or process, or network.

1                   “(iii) Unauthorized access or disrup-  
2                   tion of business operations has occurred  
3                   due to loss of service facilitated through,  
4                   or caused by—

5                               “(I) a compromise of a cloud  
6                               service provider, managed service pro-  
7                               vider, or other third-party data  
8                               hosting provider; or

9                               “(II) a supply chain attack.

10                   “(4) OUTREACH TO COVERED ENTITIES.—

11                               “(A) IN GENERAL.—The Director shall  
12                               conduct an outreach and education campaign to  
13                               inform covered entities, entities that make a  
14                               ransom payment, and entities that make ran-  
15                               som payments on behalf of entities impacted by  
16                               ransomware attacks of the requirements of this  
17                               section.

18                               “(B) ELEMENTS.—The outreach and edu-  
19                               cation campaign under subparagraph (A) shall  
20                               include the following:

21                                       “(i) An overview of the interim final  
22                                       rule and final rule issued pursuant to this  
23                                       section.

24                                       “(ii) An overview of mechanisms to  
25                                       submit to the Office covered cybersecurity

1 incident reports and information relating  
2 to the disclosure, retention, and use of in-  
3 cident reports under this section.

4 “(iii) An overview of the protections  
5 afforded to covered entities for complying  
6 with the requirements under subsection (f).

7 “(iv) An overview of the steps taken  
8 under section 2220B when a covered entity  
9 is not in compliance with the reporting re-  
10 quirements under paragraph (1).

11 “(v) Specific outreach to cybersecurity  
12 vendors, incident response providers, cyber-  
13 security insurance entities, and other enti-  
14 ties that may support covered entities or  
15 ransomware attack victims.

16 “(C) COORDINATION.—In conducting the  
17 outreach and education campaign required  
18 under subparagraph (A), the Director may co-  
19 ordinate with—

20 “(i) the Critical Infrastructure Part-  
21 nership Advisory Council established under  
22 section 871 (6 U.S.C. 451);

23 “(ii) information sharing and analysis  
24 organizations; and

1                   “(iii) any other entity, as determined  
2                   appropriate by the Director.

3                   “(5) REPORTS.—

4                   “(A) TIMING.—The Director, in consulta-  
5                   tion with Sector Risk Management Agencies  
6                   and the heads of other Federal departments  
7                   and agencies, as appropriate, shall establish re-  
8                   porting timelines for covered entities to submit  
9                   covered cybersecurity incident and ransom pay-  
10                  ment reports to the Office promptly, as the Di-  
11                  rector determines reasonable and appropriate  
12                  based on relevant factors, such as the nature of  
13                  the incident and the time required for investiga-  
14                  tion, but in no case may the Director require  
15                  reporting—

16                  “(i) for covered incidents, earlier than  
17                  72 hours or later than 7 days after it is  
18                  reasonably believed that a covered cyberse-  
19                  curity incident has occurred; and

20                  “(ii) for ransom payments, earlier  
21                  than 24 hours or later than 72 hours after  
22                  a ransom payment has been made.

23                  “(B) CONSIDERATIONS.—In establishing  
24                  reporting deadlines, the Director shall—

25                  “(i) consult with the Council;

1           “(ii) consider any existing regulatory  
2 reporting requirements to which such a  
3 covered entity may also be subject that are  
4 similar in scope, purpose, and timing to  
5 the reporting requirements under subpara-  
6 graph (A), and make efforts to harmonize  
7 the timing and contents of any such re-  
8 ports to the maximum extent practicable;  
9 and

10           “(iii) balance the need for of the  
11 Agency situational awareness with the abil-  
12 ity of the covered entity to conduct inci-  
13 dent response and investigations.

14           “(C) SUPPLEMENTAL REPORTING.—A cov-  
15 ered entity shall submit promptly to the Office  
16 an update or supplement to a previously sub-  
17 mitted covered cybersecurity incident report if  
18 new or different information becomes available,  
19 or if the covered entity makes a ransomware  
20 payment after submitting a report prior to  
21 making a payment, that would otherwise have  
22 been required to have been included in such  
23 previously submitted report.

24           “(D) COVERED INCIDENT REPORT CON-  
25 TENTS.—Covered cybersecurity incident reports

1 submitted pursuant to this section shall contain  
2 such information as the Director prescribes, in-  
3 cluding the following information, to the extent  
4 applicable and available, with respect to a cov-  
5 ered cybersecurity incident:

6 “(i) A description of the covered cy-  
7 bersecurity incident, including identifica-  
8 tion of the affected information systems,  
9 networks, or devices that were, or are rea-  
10 sonably believed to have been, affected by  
11 such incident, and the estimated date  
12 range of such incident.

13 “(ii) Where applicable, a description  
14 of the vulnerabilities, tactics, techniques,  
15 and procedures used to perpetuate the cov-  
16 ered cybersecurity incident.

17 “(iii) Where applicable, any identi-  
18 fying or contact information related to the  
19 actor responsible for such incident.

20 “(iv) Where applicable, identification  
21 of the category or categories of information  
22 that was, or is reasonably believed to have  
23 been, accessed or acquired by an unauthor-  
24 ized person.

1           “(v) The name and, where applicable,  
2           the taxpayer identification number, or  
3           other unique identifier of the entity im-  
4           pacted by the covered cybersecurity inci-  
5           dent.

6           “(vi) Contact information, such as  
7           telephone number or electronic mail ad-  
8           dress, that the Office may use to contact  
9           the covered entity or agent of such covered  
10          entity, or, where applicable, the service  
11          provider of such covered entity.

12          “(E) RANSOM PAYMENT REPORT CON-  
13          TENTS.—Ransom payment reports submitted  
14          pursuant to this section shall contain such in-  
15          formation as the Director prescribes, including  
16          the following information, to the extent applica-  
17          ble and available, with respect to a ransom pay-  
18          ment:

19               “(i) A description of the ransomware  
20               attack that led to the ransom payment, in-  
21               cluding the estimated date range of the  
22               ransomware attack.

23               “(ii) Where applicable, a description  
24               of the vulnerabilities, tactics, techniques,  
25               and procedures used to perpetuate the

1 ransomware attack that led to the ransom  
2 payment.

3 “(iii) Where applicable, any identi-  
4 fying or contact information related to the  
5 actor responsible for the ransomware at-  
6 tack that led to the ransom payment.

7 “(iv) The name and, if applicable, the  
8 taxpayer identification number, or other  
9 unique identifier of the entity that made  
10 the ransom payment.

11 “(v) Contact information, such as a  
12 telephone number or electronic mail ad-  
13 dress, that the Office may use to contact  
14 the entity that made the ransom payment  
15 or the agent of that entity, or, where appli-  
16 cable, the service provider of that entity.

17 “(vi) The date of the ransom pay-  
18 ment.

19 “(vii) The ransom payment demand,  
20 including the type of virtual currency or  
21 other commodity requested, if applicable.

22 “(viii) The ransom payment instruc-  
23 tions, including information relating to  
24 where to send the ransom payment, such  
25 as the virtual currency address or the

1 physical address the funds were requested  
2 to be sent to, if applicable.

3 “(ix) The amount of the ransom pay-  
4 ment.

5 “(x) A summary of the due diligence  
6 review required under subparagraph (F).

7 “(F) DUE DILIGENCE REVIEW.—Before  
8 the date on which a covered entity, or an entity  
9 that would be required to submit a ransom pay-  
10 ment report under this section if that entity  
11 makes a ransom payment, makes a ransom pay-  
12 ment relating to a ransomware attack, the cov-  
13 ered entity or entity shall conduct a due dili-  
14 gence review of alternatives to making the ran-  
15 som payment, including—

16 “(i) a search for potential decryption  
17 methods; and

18 “(ii) an analysis of whether the cov-  
19 ered entity or entity can recover from the  
20 ransomware attack through other means.

21 “(G) HARMONIZING REPORTING REQUIRE-  
22 MENTS.—In establishing the reporting require-  
23 ments and procedures under paragraph (1), the  
24 Director shall, in consultation with the Council  
25 to the maximum extent practicable—

1           “(i) review existing regulatory require-  
2           ments, including the information required  
3           in such reports, to report cybersecurity in-  
4           cidents that may apply to covered entities,  
5           and ensure that any such reporting re-  
6           quirements and procedures avoid con-  
7           flicting, duplicative, or burdensome re-  
8           quirements; and

9           “(ii) coordinate with other regulatory  
10          authorities that receive reports relating to  
11          cybersecurity incidents to identify opportu-  
12          nities to streamline reporting processes,  
13          and where feasible, enter into agreements  
14          with such authorities to permit the sharing  
15          of such reports with the Office, consistent  
16          with applicable law and policy, without im-  
17          pacting the Office’s ability to gain timely  
18          situational awareness of a covered cyberse-  
19          curity incident or significant cyber inci-  
20          dent.

21          “(H) FLEXIBLE REPORTING.—In pre-  
22          scribing reporting deadlines for a report re-  
23          quired under this paragraph, the Director may  
24          choose to establish a flexible, phased reporting  
25          timeline for covered entities to report informa-

1           tion about cybersecurity incidents in a manner  
2           that aligns with investigative timelines and al-  
3           lows entities to prioritize incident response ef-  
4           forts over compliance.

5           “(6) EVALUATION OF STANDARDS.—Not more  
6           than 1 year after the issuance of the interim final  
7           rule pursuant to paragraph (1), the Director shall  
8           review the data collected by the Office, and in con-  
9           sultation with other appropriate Federal agencies  
10          and non-Federal entities, assess the effectiveness of  
11          the rule with respect to—

12                   “(A) the number of reports received;

13                   “(B) the utility of the reports received;

14                   “(C) the number of supplemental reports  
15          required to be submitted; and

16                   “(D) any other factor determined appro-  
17          priate by the Director.

18          “(7) SUBMISSION TO CONGRESS.—The Director  
19          shall submit to the Committee on Homeland Secu-  
20          rity and Governmental Affairs of the Senate and the  
21          Committee on Homeland Security of the House of  
22          Representatives the results of the evaluation de-  
23          scribed in paragraph (6) and may, as appropriate,  
24          after a 60 day consultative period, followed by a 90-  
25          day comment period with appropriate stakeholders,

1 publish in the Federal Register an interim final rule  
2 to update the implementation of this section.

3 “(e) VOLUNTARY REPORTING OF CYBER INCI-  
4 DENTS.—

5 “(1) IN GENERAL.—The Agency shall receive  
6 cybersecurity incident reports and ransom payment  
7 reports submitted voluntarily by entities that are not  
8 covered entities, or concerning cybersecurity inci-  
9 dents that do not satisfy the definition of covered cy-  
10 bersecurity incidents, or concerning ransomware at-  
11 tacks where no ransom payment is made, but may  
12 enhance the situational awareness of the Agency of  
13 cybersecurity threats.

14 “(2) APPLICATION OF PROTECTIONS.—The pro-  
15 tections under section 2220C applicable to covered  
16 cybersecurity incident reports shall apply in the  
17 same manner and to the same extent to voluntarily-  
18 submitted cybersecurity incident reports under this  
19 subsection.

20 “(3) ADDITIONAL VOLUNTARY INFORMATION IN  
21 MANDATORY REPORTS.—The Agency shall receive  
22 cybersecurity incident reports and ransom payment  
23 reports that are required to be submitted by covered  
24 entities and entities that make ransom payments  
25 with any additional, voluntarily included, informa-

1 tion that the submitting entity chooses to include to  
2 enhance the situational awareness of the Agency of  
3 cybersecurity threats.

4 “(f) THIRD PARTY REPORT SUBMISSION AND RAN-  
5 SOM PAYMENT.—

6 “(1) REPORT SUBMISSION.—An entity, includ-  
7 ing a covered entity, that is required to submit a  
8 covered incident report or a ransom payment report  
9 may use a third party, such as an incident response  
10 company, insurance provider, service provider, Infor-  
11 mation Sharing and Analysis Organization, or law  
12 firm, to submit the required report under subsection  
13 (b).

14 “(2) RANSOM PAYMENT.—If an entity impacted  
15 by a ransomware attack uses a third party to make  
16 a ransom payment, the third party shall not be re-  
17 quired to submit a ransom payment report for itself  
18 under subsection (d)(1)(A)(iii).

19 “(3) DUTY TO REPORT.—Third-party reporting  
20 under this subparagraph does not relieve a covered  
21 entity or an entity that makes a ransom payment  
22 from the duty to comply with the requirements for  
23 covered incident report or ransom payment report  
24 submission.

1           “(4) RESPONSIBILITY TO ADVISE.—Any third  
2 party that makes a ransom payment on behalf of an  
3 entity impacted by a ransomware attack shall advise  
4 the impacted entity of the impacted entities respon-  
5 sibilities regarding a due diligence review under sub-  
6 section (d)(5)(F) and reporting of ransom payments  
7 under this section.

8 **“SEC. 2220B. NONCOMPLIANCE WITH REQUIRED REPORT-**  
9 **ING.**

10           “(a) PURPOSE.—In the event that an entity that is  
11 required to submit a report in section 2220A fails to com-  
12 ply with the requirement to report, the Director may ob-  
13 tain information about the incident or ransom payment  
14 by engaging the entity directly to request information  
15 about the incident or ransom payment, or, if the Director  
16 is unable to obtain information through such engagement,  
17 by issuing a subpoena to the entity, subject to the limita-  
18 tions of subsection (c), to gather information sufficient to  
19 determine whether a covered cybersecurity incident or ran-  
20 som payment has occurred, and, if so, whether additional  
21 action is warranted pursuant to subsection (d).

22           “(b) INITIAL REQUEST FOR INFORMATION.—

23           “(1) IN GENERAL.—If the Director has reason  
24 to believe, whether through public reporting, intel-  
25 ligence gathering, or other information in the posses-

1 sion of the Federal Government, including through  
2 analysis performed pursuant to paragraph (1) or (2)  
3 of section 2220A(c), that an entity has experienced  
4 a covered cybersecurity incident or made a  
5 ransomware payment but failed to report such inci-  
6 dent or payment to the Office in accordance to sec-  
7 tion 2220A(d), the Director shall request additional  
8 information from the entity to confirm whether or  
9 not a covered cybersecurity incident or ransomware  
10 payment has occurred, and determine whether fur-  
11 ther examination into the details surrounding the in-  
12 cident or payment are warranted pursuant to sub-  
13 section (d).

14 “(2) TREATMENT.—Information provided to the  
15 Office in response to a request under paragraph (1)  
16 shall be treated as if it was submitted through the  
17 reporting procedures established in section 2220A.

18 “(c) AUTHORITY TO ISSUE SUBPOENAS.—

19 “(1) IN GENERAL.—If, after the date that is 7  
20 days from the date on which the Director made the  
21 request for information in subsection (b), the Direc-  
22 tor has received no response from the entity from  
23 which such information was requested, or received  
24 an inadequate response, the Director may issue to  
25 such entity a subpoena to compel disclosure of infor-

1       mation the Director deems necessary to determine  
2       whether a covered cybersecurity incident or  
3       ransomware payment has occurred and assess poten-  
4       tial impacts to national security, economic security,  
5       public health and safety, determine whether further  
6       examination into the details surrounding such inci-  
7       dent are warranted pursuant to subsection (d), and,  
8       if so, compel disclosure of that information as is nec-  
9       essary to carry out activities under section  
10      2220A(c).

11           “(2) CIVIL ACTION.—

12                   “(A) IN GENERAL.—If an entity fails to  
13                   comply with a subpoena, the Director may  
14                   bring a civil action in a district court of the  
15                   United States to enforce such subpoena.

16                   “(B) VENUE.—An action under this para-  
17                   graph may be brought in the judicial district in  
18                   which the entity against which the action is  
19                   brought resides, is found, or does business.

20                   “(C) CONTEMPT OF COURT.—A court may  
21                   punish a failure to comply with a subpoena  
22                   issued under this subsection as a contempt of  
23                   court.

24           “(d) ADDITIONAL ACTIONS.—

1           “(1) EXAMINATION.—If, based on the informa-  
2           tion provided in response to a subpoena issued pur-  
3           suant to subsection (c), the Director determines that  
4           the incident is a significant cyber incident, or is part  
5           of a group of related cyber incidents that together  
6           meet the definition, or if the entity did not report  
7           a ransomware payment, and a more thorough exam-  
8           ination of the details surrounding such incident is  
9           warranted in order to carry out activities under sec-  
10          tion 2220A, the Director may direct the Office to  
11          conduct an examination of the incident in order to  
12          enhance the situational awareness of the Agency of  
13          cybersecurity threats (as defined in section 2220A)  
14          across critical infrastructure sectors and payments  
15          made to ransomware actors, in a manner consistent  
16          with privacy and civil liberties under section  
17          2220C(b)(3).

18           “(2) PROVISION OF CERTAIN INFORMATION TO  
19          ATTORNEY GENERAL.—

20           “(A) IN GENERAL.—Notwithstanding sec-  
21          tion 2220C(b) and subsection (b)(2) of this sec-  
22          tion, if the Director determines, based on the  
23          information provided in response to the sub-  
24          poena issued pursuant to subsection (c) or iden-  
25          tified in the course of an examination under

1 paragraph (1), that the facts relating to the  
2 covered cybersecurity incident or ransom pay-  
3 ment at issue may constitute grounds for a reg-  
4 ulatory enforcement action or criminal prosecu-  
5 tion, the Director may provide that information  
6 to the Attorney General or the appropriate reg-  
7 ulator, who may use that information for a reg-  
8 ulatory enforcement action or criminal prosecu-  
9 tion.

10 “(B) APPLICATION TO CERTAIN ENTITIES  
11 AND THIRD PARTIES.—A covered incident or  
12 ransom payment report submitted to the Office  
13 by an entity that makes a ransom payment or  
14 third party under section 2220A shall not be  
15 used by any Federal, State, Tribal, or local gov-  
16 ernment to investigate or take another law en-  
17 forcement action against the entity or third  
18 party.

19 “(C) NO IMMUNITY.—An entity that sub-  
20 mits a covered incident or ransom payment re-  
21 port under section 2220A is not granted any  
22 immunity from law enforcement action for mak-  
23 ing a ransom payment.

1       “(e) CONSIDERATIONS.—When determining whether  
2 to impose a penalty on an entity, the Director shall take  
3 into consideration—

4               “(1) the size and complexity of the entity;

5               “(2) the complexity in determining if a covered  
6 incident has occurred;

7               “(3) prior interaction with the Agency or  
8 awareness of the entity of Agency policies and proce-  
9 dures for reporting covered incidents and ransom  
10 payments; and

11               “(4) for non-covered entities required to submit  
12 a ransom payment report, the ability of the entity to  
13 perform a due diligence review pursuant to section  
14 2220A(d)(5)(F).

15       “(f) EXCLUSIONS.—The penalties for failure to sub-  
16 mit a covered incident report or a ransom payment report  
17 shall not apply to a State, local, Tribal, or territorial gov-  
18 ernment entity.

19       **“SEC. 2220C. INFORMATION SHARED WITH OR PROVIDED**  
20               **TO THE FEDERAL GOVERNMENT.**

21       “(a) CYBERSECURITY THREAT DEFINED.—In this  
22 section, the term ‘cybersecurity threat’ has the meaning  
23 given the term in section 2220A.

24       “(b) DISCLOSURE, RETENTION, AND USE.—

1           “(1) AUTHORIZED ACTIVITIES.—Information  
2           provided to the Office or Agency in accordance with  
3           section 2220A may be disclosed to, retained by, and  
4           used by, consistent with otherwise applicable provi-  
5           sions of Federal law, any Federal agency or depart-  
6           ment, component, officer, employee, or agent of the  
7           Federal Government solely for—

8                   “(A) a cybersecurity purpose;

9                   “(B) the purpose of identifying—

10                          “(i) a cybersecurity threat, including  
11                          the source of the cybersecurity threat; or

12                          “(ii) a security vulnerability;

13                   “(C) the purpose of responding to, or oth-  
14                   erwise preventing or mitigating, a specific  
15                   threat of death, a specific threat of serious bod-  
16                   ily harm, or a specific threat of serious eco-  
17                   nomic harm, including a terrorist act or a use  
18                   of a weapon of mass destruction;

19                   “(D) the purpose of responding to, inves-  
20                   tigating, prosecuting, or otherwise preventing or  
21                   mitigating, a serious threat to a minor, includ-  
22                   ing sexual exploitation and threats to physical  
23                   safety; or

24                   “(E) the purpose of preventing, inves-  
25                   tigating, disrupting, or prosecuting an offense

1 arising out of a covered cybersecurity incident  
2 or any of the offenses listed in section  
3 105(d)(5)(A)(v) of the Cybersecurity Act of  
4 2015 (6 U.S.C. 1504(d)(5)(A)(v)).

5 “(2) EXCEPTIONS.—

6 “(A) RAPID, CONFIDENTIAL SHARING OF  
7 CYBER THREAT INDICATORS.—Upon receiving a  
8 covered cybersecurity incident report submitted  
9 pursuant to this section, the Office shall imme-  
10 diately review the report to determine whether  
11 the incident that is the subject of the report is  
12 connected to an ongoing cybersecurity threat or  
13 security vulnerability and where applicable, use  
14 such report to identify, develop, and rapidly dis-  
15 seminate to appropriate stakeholders actionable,  
16 anonymized cyber threat indicators and defen-  
17 sive measures.

18 “(B) STANDARDS FOR SHARING SECURITY  
19 VULNERABILITIES.—With respect to informa-  
20 tion in a covered cybersecurity incident report  
21 regarding a security vulnerability referred to in  
22 paragraph (1)(B)(ii), the Director shall develop  
23 principles that govern the timing and manner in  
24 which information relating to security  
25 vulnerabilities may be shared, consistent with

1 common industry best practices and United  
2 States and international standards.

3 “(3) PRIVACY AND CIVIL LIBERTIES.—Informa-  
4 tion contained in covered cybersecurity incident re-  
5 ports submitted to the Office pursuant to section  
6 2220A(d) shall be retained, used, and disseminated,  
7 where permissible and appropriate, by the Federal  
8 Government in a manner consistent with processes  
9 for the protection of personal information adopted  
10 pursuant to section 105 of the Cybersecurity Act of  
11 2015 (6 U.S.C. 1504) and in a manner that protects  
12 from unauthorized use or disclosure any information  
13 that may contain—

14 “(A) personal information of a specific in-  
15 dividual; or

16 “(B) information that identifies a specific  
17 individual; and

18 “(4) DIGITAL SECURITY.—The Office shall en-  
19 sure that reports submitted to the Office pursuant  
20 to section 2220A(d) and any related information is  
21 collected, stored, and protected in accordance with  
22 the requirements for moderate impact Federal infor-  
23 mation systems, as described in Federal Information  
24 Processing Standards Publication 199, or any suc-  
25 cessor document.

1           “(c) NO WAIVER OF PRIVILEGE OR PROTECTION.—  
2 The submission of a report to the Agency under this Act  
3 shall not constitute a waiver of any applicable privilege  
4 or protection provided by law, including trade secret pro-  
5 tection and attorney-client privilege.

6           “(d) EXEMPTION FROM DISCLOSURE.—Information  
7 contained in a report submitted to the Agency under this  
8 Act shall be exempt from disclosure under section  
9 552(b)(3)(B) of title 5, United States Code (commonly  
10 known as the ‘Freedom of Information Act’) and any  
11 State, Tribal, or local provision of law requiring disclosure  
12 of information or records.

13           “(e) EX PARTE COMMUNICATIONS.—The submission  
14 of a report to the Agency under section 2220A shall not  
15 be subject to a rule of any Federal agency or department  
16 or any judicial doctrine regarding ex parte communica-  
17 tions with a decision making official.

18           “(f) SHARING WITH FEDERAL AND NON-FEDERAL  
19 ENTITIES.—The Agency shall facilitate the timely sharing  
20 between relevant critical infrastructure owners and opera-  
21 tors and appropriate Federal agencies of information and  
22 analysis relating to reports received under section 2220A,  
23 particularly with respect to an ongoing cybersecurity  
24 threat or security vulnerability and anonymize the victim  
25 who reported the information.

1       “(g) LIABILITY PROTECTION.—The submission of a  
2 covered cybersecurity incident report or ransom payment  
3 report, including any voluntary information or reports, to  
4 the Agency under section 2220A shall be entitled to the  
5 protections against liability described in section 106 of the  
6 Cybersecurity Act of 2015 (6 U.S.C. 1505).

7       “(h) PROPRIETARY INFORMATION.—Information  
8 contained in a report submitted to the Agency under sec-  
9 tion 2220A shall be considered the commercial, financial,  
10 and proprietary information of the covered entity when so  
11 designated by the covered entity.”.

12       (c) TECHNICAL AND CONFORMING AMENDMENT.—  
13 The table of contents in section 1(b) of the Homeland Se-  
14 curity Act of 2002 (Public Law 107–296; 116 Stat. 2135)  
15 is amended by inserting after the items relating to section  
16 2220 the following:

“Sec. 2220A. Cyber Incident Review Office.

“Sec. 2220B. Noncompliance with required reporting.

“Sec. 2220C. Information shared with or provided to the Federal Govern-  
ment.”.

17 **SEC. 3. FEDERAL SHARING OF INCIDENT REPORTS.**

18       (a) CYBERSECURITY INCIDENT REPORTING SHAR-  
19 ING.—Any Federal agency that requires an entity, either  
20 through regulation or law, to notify the Federal agency  
21 of a cyber attack, including a ransomware attack, shall  
22 provide all such information to the Director not later than  
23 7 days after receiving the notification.

1 (b) CREATION OF COUNCIL.—Section 2202(e)(1) of  
2 the Homeland Security Act (6 U.S.C. 652) is amended  
3 by adding at the end the following:

4 “(S) To lead an intergovernmental Cyber-  
5 security Incident Reporting Council, in coordi-  
6 nation with the Director of the Office of Man-  
7 agement and Budget and the National Cyber  
8 Director and in consultation with Sector Risk  
9 Management Agencies and other appropriate  
10 Federal agencies, to coordinate, deconflict, and  
11 harmonize Federal incident reporting require-  
12 ments (including those issued through regula-  
13 tions) for covered entities and entities that  
14 make a ransom payment.”.

15 **SEC. 4. RANSOMWARE VULNERABILITY WARNING PILOT**  
16 **PROGRAM.**

17 (a) DEFINITIONS.—In this section:

18 (1) INFORMATION SYSTEM; SECURITY VULNER-  
19 ABILITY.—The terms “information system” and “se-  
20 curity vulnerability” have the meaning given those  
21 terms in section 102 of the Cybersecurity Act of  
22 2015 (6 U.S.C. 1501).

23 (2) RANSOMWARE ATTACK.—The term  
24 “ransomware attack” has the meaning given the

1 term in section 2201 of the Homeland Security Act  
2 of 2002, as amended by section 2(a).

3 (b) PILOT.—Not less than 90 days after enactment  
4 of this Act, the Director of the Cybersecurity and Informa-  
5 tion Sharing Agency (in this section referred to as the  
6 “Director”) shall establish a ransomware vulnerability  
7 warning pilot program to leverage existing authorities and  
8 technology to specifically develop processes and proce-  
9 dures, and to dedicate resources, to identifying informa-  
10 tion systems that contain security vulnerabilities associ-  
11 ated with common ransomware attacks, and to notify the  
12 owners of those vulnerable systems of their security vul-  
13 nerability.

14 (c) IDENTIFICATION OF VULNERABLE SYSTEMS.—  
15 The pilot program shall—

16 (1) identify the most common security  
17 vulnerabilities utilized in ransomware attacks and  
18 mitigation techniques; and

19 (2) utilize existing authorities, such as  
20 Crossfeed, identify Federal and other relevant infor-  
21 mation systems that contain the security  
22 vulnerabilities identified in paragraph (1).

23 (d) ENTITY NOTIFICATION.—

24 (1) IDENTIFICATION.—If the Director is able to  
25 identify the entity at risk that owns or operates a

1 vulnerable information system identified in sub-  
2 section (c), the Director may notify the owner of the  
3 information system.

4 (2) NO IDENTIFICATION.—if the Director is not  
5 able to identify the entity at risk that owns or oper-  
6 ates a vulnerable information system identified in  
7 subsection (c), the Director may utilize the subpoena  
8 authority pursuant to section 2209 of the Homeland  
9 Security Act of 2002 (6 U.S.C. 659) to identify and  
10 notify the pursuant to the procedures within that  
11 section.

12 (3) REQUIRED INFORMATION.—A notification  
13 made under paragraph (1) or (2) shall include infor-  
14 mation on the identified security vulnerability and  
15 mitigation techniques.

16 (e) PRIORITIZATION OF NOTIFICATIONS.—To the ex-  
17 tent practical, the Director shall prioritize covered entities,  
18 as defined in section 2201 of the Homeland Security Act  
19 of 2002 (6 U.S.C. 651), as amended by section 2(a) of  
20 this Act, for identification and notification activities.

21 (f) LIMITATION ON PROCEDURES.—No procedure,  
22 notification, or other authorities utilized in the execution  
23 of this pilot shall require an owner or operator of a vulner-  
24 able information system to take any action as a result of

1 a notice of a security vulnerability made pursuant to sub-  
2 section (d).

3 (g) RULE OF CONSTRUCTION.—Nothing in this sec-  
4 tion shall be construed to provide additional authorities  
5 to the Director to identify vulnerabilities or vulnerable sys-  
6 tems.

7 **SEC. 5. RANSOMWARE THREAT MITIGATION ACTIVITIES.**

8 (a) JOINT RANSOMWARE TASK FORCE.—

9 (1) IN GENERAL.—Not later than 180 days  
10 after the date of enactment of this section, the Sec-  
11 retary of Homeland Security shall establish and the  
12 Joint Ransomware Task Force to coordinate an on-  
13 going, nationwide campaign against ransomware at-  
14 tacks (as defined in section 2201 of the Homeland  
15 Security Act of 2002 (6 U.S.C. 651), as amended by  
16 this Act), and identify and pursue opportunities for  
17 international cooperation.

18 (2) COMPOSITION.—The Joint Ransomware  
19 Task Force shall consist of participants from Fed-  
20 eral agencies, as determined appropriate by the Sec-  
21 retary of Homeland Security.

22 (3) RESPONSIBILITIES.—The Joint  
23 Ransomware Task Force, utilizing only existing au-  
24 thorities of each participating agency, shall coordi-

1       nate across the Federal government the following ac-  
2       tivities:

3               (A) Prioritization of intelligence-driven op-  
4               erations to disrupt specific ransomware actors.

5               (B) Consult with relevant private sector,  
6               State, local, Tribal, and territorial governments  
7               and international stakeholders to identify needs  
8               and establish mechanisms for providing input  
9               into the Task Force.

10              (C) Identifying, in consultation with rel-  
11              evant entities, a list of highest threat  
12              ransomware entities updated on an ongoing  
13              basis, in order to facilitate—

14                      (i) prioritization for Federal action by  
15                      appropriate Federal agencies; and

16                      (ii) identify metrics for success of said  
17                      actions.

18              (D) Disrupting ransomware criminal ac-  
19              tors, associated infrastructure, and their fi-  
20              nances.

21              (E) Facilitating coordination and collabo-  
22              ration between Federal entities and relevant en-  
23              tities to improve Federal actions against  
24              ransomware threats.

1 (F) Collection, sharing, and analysis of  
2 ransomware trends to inform Federal actions.

3 (G) Creation of after-action reports and  
4 other lessons learned from Federal actions that  
5 identify successes and failures to improve sub-  
6 sequent actions.

7 (H) Any other activities determined appro-  
8 priate by the task force to mitigate the threat  
9 of ransomware attacks against Federal and  
10 non-Federal entities.

11 (b) CLARIFYING PRIVATE-SECTOR LAWFUL DEFEN-  
12 SIVE MEASURES.—Not later than 180 days after the date  
13 of enactment of this Act, the Secretary of Homeland Secu-  
14 rity, in coordination with the National Cyber Director and  
15 the Attorney General, shall submit to the Committee on  
16 Homeland Security and Governmental Affairs of the Sen-  
17 ate, the Committee on the Judiciary of the Senate, the  
18 Committee on Homeland Security of the House of Rep-  
19 resentatives, and the Committee on the Judiciary of the  
20 House of Representatives a report that describes defensive  
21 measures that private-sector actors can take when coun-  
22 tering ransomware attacks and what laws need to be clari-  
23 fied to enable that action.

1 (c) RULE OF CONSTRUCTION.—Nothing in this sec-  
2 tion shall be construed as providing any additional author-  
3 ity to any Federal agency.

4 **SEC. 6. CONGRESSIONAL REPORTING.**

5 (a) DEFINITIONS.—In this section:

6 (1) COVERED CYBERSECURITY INCIDENT; COV-  
7 ERED ENTITY; RANSOMWARE ATTACK; RANSOM PAY-  
8 MENT.—the terms “covered cybersecurity incident”,  
9 “covered entity”, “ransomware attack”, and “ran-  
10 som payment” have the meaning given those terms  
11 in section 2201 of the Homeland Security Act of  
12 2002 (6 U.S.C. 651), as amended by section 2(a)  
13 this Act.

14 (2) DIRECTOR.—The term “Director” means  
15 the Director of the Cybersecurity and Infrastructure  
16 Security Agency.

17 (b) CONGRESSIONAL REPORT.—Not later than 1 year  
18 after the date of enactment of this Act, and annually  
19 thereafter, the Cyber Incident Review Office established  
20 under section 2220A of the Homeland Security Act of  
21 2002, as added by this Act, shall submit to the Committee  
22 on Homeland Security and Governmental Affairs of the  
23 Senate and the Committee on Homeland Security of the  
24 House of Representatives a report on covered cybersecu-  
25 rity incidents and ransomware attacks, which shall—

1 (1) include the total number of reports sub-  
2 mitted under such section 2220A during the pre-  
3 ceding year, including a breakdown of required and  
4 voluntary reports;

5 (2) include any identified trends in covered cy-  
6 bersecurity incidents and ransomware attacks over  
7 the course of the preceding year and as compared to  
8 previous years, including any trends related to the  
9 information collected in the reports submitted under  
10 such section 2220A, including—

11 (A) the infrastructure, tactics, and tech-  
12 niques malicious cyber actors commonly use;  
13 and

14 (B) intelligence gaps that have, or cur-  
15 rently are, impeding the ability to counter cov-  
16 ered cybersecurity incidents and ransomware  
17 threats;

18 (3) include a summary of the Federal Govern-  
19 ment uses of the information in reports submitted  
20 under such section 2220A; and

21 (4) be unclassified, but may include a classified  
22 annex.

23 (c) REPORT ON STAKEHOLDER ENGAGEMENT.—Not  
24 later than 30 days after the date on which the Director  
25 issues the interim final rule required under section

1 2220A(d)(1) of the Homeland Security Act of 2002, as  
2 added by this Act, the Director shall submit to the Com-  
3 mittee on Homeland Security and Government Affairs of  
4 the Senate and the Committee on Homeland Security of  
5 the House of Representatives a report that describes how  
6 the Director engaged stakeholders in the development of  
7 the interim final rule.

8 (d) REPORT ON OPPORTUNITIES TO STRENGTHEN  
9 SECURITY RESEARCH.—Not later than 1 year after the  
10 date of enactment of this Act, the Director shall submit  
11 to the Committee on Homeland Security and Government  
12 Affairs of the Senate and the Committee on Homeland  
13 Security of the House of Representatives a report describ-  
14 ing how the Cyber Incident Review Office has carried out  
15 activities under section 2220A(c)(7) of the Homeland Se-  
16 curity Act of 2002, as added by this Act, by proactively  
17 identifying opportunities to use cybersecurity incident  
18 data to inform and enabling cybersecurity research within  
19 the academic and private sector.

20 (e) REPORT ON PILOT PROGRAM.—The Director  
21 shall annually submit to the Committee on Homeland Se-  
22 curity and Governmental Affairs of the Senate and the  
23 Committee on Homeland Security of the House of Rep-  
24 resentatives a report, which may include a classified annex  
25 but with the presumption of declassification, on the effec-

1 tiveness of the pilot program established under section 4,  
2 which shall include a discussion of the following:

3 (1) The effectiveness of the notifications under  
4 section 4(d) to mitigate security vulnerabilities and  
5 the threat of ransomware.

6 (2) The identification of most common  
7 vulnerabilities utilized in ransomware.

8 (3) The number of notifications issued during  
9 the preceding year.

10 (4) To the extent practicable, the number of  
11 vulnerable devices or systems mitigated under this  
12 pilot by the Agency during the preceding year.

13 (f) REPORT ON SUBPOENAS.—The Director shall an-  
14 nually report to Congress on—

15 (1) the amount of times the Director—

16 (A) issued an initial request for informa-  
17 tion pursuant to section 2220B(b) of the  
18 Homeland Security Act of 2002, as added by  
19 this Act;

20 (B) issued a subpoena pursuant to such  
21 section 2220B(c);

22 (C) brought a civil action pursuant to such  
23 section 2220B(c)(2); and

24 (D) conducted additional actions pursuant  
25 to such section 2220B(d); and

1           (2) explanation for any waiver or delay of publi-  
2           cation of the names of entities that failed to submit  
3           covered incident or ransom payment reports as al-  
4           lowed under such section 2220B(d)(3)(A).

5           (g) REPORT ON HARMONIZATION OF REPORTING  
6 REGULATIONS.—Not later than 180 days after the date  
7 on which the Director convenes the Council required under  
8 subparagraph (S) of section 2202(e)(1) of the Homeland  
9 Security Act of 2002 (6 U.S.C. 652(e)(1)), as added by  
10 section 3(b), the Director shall submit to the appropriate  
11 congressional committees a report that includes—

12           (1) a list of duplicative Federal cybersecurity  
13           incident reporting requirements on covered entities  
14           and entities that make a ransom payment;

15           (2) any actions the National Cyber Director in-  
16           tends to take to harmonize the duplicative reporting  
17           requirements; and

18           (3) any proposed legislative changes necessary  
19           to address the duplicative reporting.

20           (h) GAO REPORT.—Not later than 2 years after the  
21 date of enactment of this Act, the Comptroller General  
22 of the United States shall submit to the Committee on  
23 Homeland Security and Governmental Affairs of the Sen-  
24 ate and the Committee on Homeland Security of the

- 1 House of Representatives a report on the implementation
- 2 of this Act and the amendments made by this Act.
